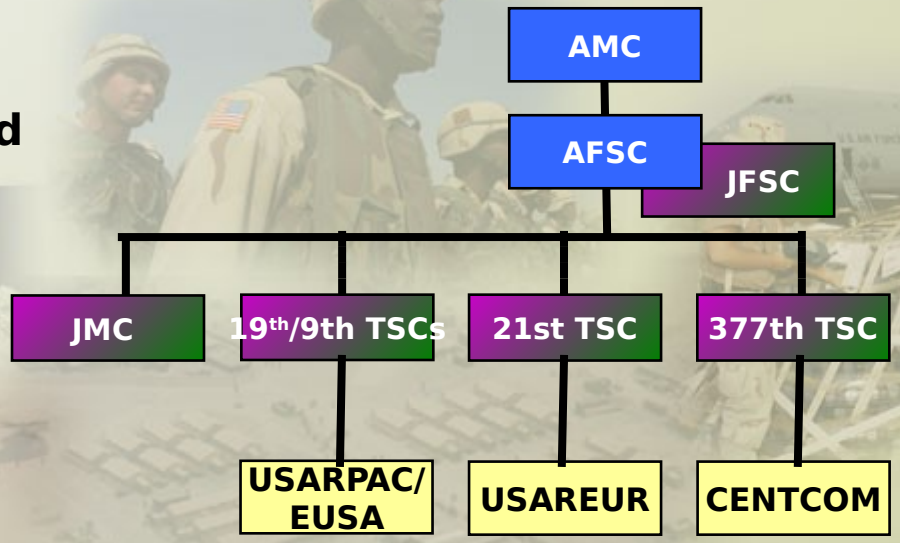
USASAC

U. S. Army Security Assistance Command

- **Army Executive Agent for Materiel/Services support to the Foreign Military Sales Program**
- **Manages the sale of Army equipment to 140 foreign Armies, 47 Air Forces, 26 Navies and 26 other international entities**
- **Average annual sales > $3B – Total active program > $50B**
- **Supports U.S. Government Emergency Assistance, Humanitarian Relief and Operations Other than War**
- **Responsible for the Program Management Office supporting the Saudi Arabian National Guard**
- **Virtually entire budget funded by an administrative fees charged to foreign nations – minimal support by the U.S. taxpayer**

Army Field Support Command (AFSC)



Objective: **Integrate and synchronize Global in-theater strategic, tactical, and operational combat logistics power.**

Benefits . . .

- **Links Field Logistics to the National Sustaining Base**
- **Integrates Strategic, Operational and Tactical Logistics Capabilities**
- **Enhances and integrates End-to-End Distribution Based Logistics**
- **Postures Army to support joint logistics of the future; for integration into Joint organization (with Army oversight)**
- **Improves support to the warfighter**

Key support metrics (examples):

- **LOGCAP responsiveness (contract performance)**
- **APS Readiness**
- **APS Fill**

JMC

U.S. Army Joint Munitions Command

- **AMC's Interface to the Warfighters**
- **Global Contingency Operations Support**
- **DOD Common Service Provider for Munitions**
- **Joint Worldwide Asset Posture**
- **Munitions Readiness Reporting**
- **Industrial Base Transformation**
- **Centralized Ammunition Management**
- **Enterprise Readiness**

CMA

Chemical Materials Agency

Core Competencies:

- **Safe and Environmentally Compliant Storage and Disposal of United States Chemical Weapons**
- **Enhance the Emergency Preparedness of the Communities Around the Chemical Stockpile**
- **Provide Technical Assistance for Chemical Weapons Destruction in the Russian Federation**
- **Research, Develop, Acquire and Operate**

Chemical Stockpile Distribution By Storage Location

100% of Stockpile Now Under Contract for Destruction

Original Stockpile:31,500 Tons
Current Stockpile: 23,122 Tons Tons Destroyed: 8,378 Tons
Percent Destroyed : 26%
